### Total Points for Section E (Minimum of 75 Points)

## Chapter Achievement Program Guidelines

This program runs from June 1, 2025 through May 31, 2026.

You must achieve the minimum points in each Section (A-E) to qualify for a certificate.

You will need to download the new excel file to your computer or laptop NOT to Google for the formulas to calculate correctly.

Pay attention to maximum points in a question. If lines are added to this section by the committee, you will still only receive the maximum points.

If you need additional lines or there is a calculation issue, please email and attach your report to glorybe1964@gmail.com for review, corrections and updates.

Only YOUR MEMBERS count in your totals which includes Past Grands, Grand Officers, Deputy Grand Matrons, Grand Representatives and members of Grand Chapter Committees in your chapter.

The same event CANNOT be counted TWICE in different sections. Review the sections to receive the most points for the event.

Be creative, don't over think events, have fun planning and carrying out your chapter activities.

This report MUST be turned into your Deputy Grand Matron for her signature the first week of June or a time she designates for her to submit at the Charities Extravaganza on Saturday, June 27, 2026.

Late reports will NOT be accepted by the Chapter Achievement Committee.

If you have any questions, you can call, text or email me. I'm available to assist you in completing your Chapter Achievement Report.

In Star Service,

Gloria Tilden
